Dog Walking

30 minute walk	£8
60 minute walk	£15
Each extra pet, beyond the two included	+£4

Always one to one: your dog goes out on their own or with their own housemates, never with another household's dogs. A third is only possible where all three are easy in company, and we would rather say so at the meet-and-greet than on a pavement.

Would you rather two dogs went out separately? They can have a 30 minute walk each, back-to-back on the same visit, for £15 in total. Two separate visits in a day (morning and afternoon, say) are charged individually at £8 each.

Puppy Visits & Drop-ins

30 minute visit	£8
Each extra pet, beyond the two included	+£2

Pet Sitting (at your home)

Overnight stay (6pm to 6am)	£25
Daytime visit, per 30 mins	£8
Each extra pet on a visit, beyond the two included	+£2

Overnight covers a toilet break and a short evening walk. Extra daytime visits are charged at the half-hourly rate.

Cat Sitting

Per visit (up to 2 cats)	£7.50
Each extra cat, beyond the two included	+£2

Typically two visits a day, so two cats is £15 a day.

Other Pets
